

Boston FAASTeam presents:

Virtual National Aviation Safety Stand Down - Pilot Community Event, Boston North

An opportunity to join other pilots in person and get out to the airport to discuss these topics and their impact on Aviation Safety.

A safety stand down is an event at which pilots gather to learn new information, refresh already learned information, and to engage in discussion with safety experts and fellow pilots.

This live webinar format event is presented by the Advocates for Aviation Safety Foundation, Inc. and features three main live presentations from experts in their fields. A live discussion will take place following each presentation and attendees will be able to ask questions and make comments. Subjects planned include: The Culture of Airmanship; Performance, Limitations and Loss of Control; Medicine & Psychology in Aeronautical Decision Making.

Directions: Entrance to Southside Road is located at 191 Old Burley Street, Danvers, MA 01923. Located in the Beverly Flight Center classroom. Fly-In participants are requested to call ahead due to limited ramp space due to snow. Call North Atlantic Air (800)541-1745
